## NOTES FROM TRUSTEES

Welcome to the wintry weather we are having!!! Hopefully, those of you who have heat-pumps have checked and cleaned the filters as suggested as this will assist in better efficiency for heating your home. Following my own experience with slipping on ice at the weekend, please make sure any wet patches on paths, steps and terraces have no ice on them.

### 2024-2025 Budget

The Trustees have discussed and agreed the proposed Budget for the coming financial year which will be circulated along to you in due course. If you would like to discuss the budget with the Trustees, please register your name at the office so that we can allow time prior to the 19<sup>th</sup> June meeting.

### Gardens / Grounds

Matt has been doing a sterling job keeping the grounds tidy during the autumn with a heavy leaf fall followed by the pesky winds!!! Thank you to all the residents that are doing their bit with this leaf catching task too.

It has been a hugely frustrating time for Matt working to keep the grass in good condition for quite some months now. The lack of rain has had a huge bearing on this along with the fact we don't have an irrigation scheme in place. These schemes are hugely expensive to install and a reliable water supply required to operate efficiently. The Trustees appreciate everything that Matt does to keep the grass in as good condition as is possible.

### Village Maintenance

The Maintenance team involving Graeme Thompson and Lester Frame, are doing an exterior check of the villas and units to confirm the plan and budget for work to be undertaken for the 2024-2025 year. Mr Thompson has reported that they are pleased with workmanship of the contractors involved with the concrete driveways that have been replaced and others who have undertaken the paint work and those remedial / maintenance jobs that have been achieved.

### Ideas and suggestions

Following an invitation to the residents from the Trustees, a variety of suggestions have been tabled for consideration to assist in the refresh of the Community Centre and grounds. These will be discussed in more detail at the July Trust meeting when recommendations, proposed budgets and realistic timelines can be determined. Thank you to the residents who chose to respond to the invitation.

As we head into the winter months it is important that we keep active, for our physical and mental health. It is too easy to stay indoors where it is warm. We are so lucky in our Village that we have the exercise room as well as activities like 'Upright & Active' and the 'Walking Group'. (I understand that 'Tai Chi' is on its way back as well). Table Tennis is always on the lookout for new participants.

Angela & I are away for 5 – 6 weeks and will be back in mid July.

**'Have a Go' for June will be Housie, Thursday 6<sup>th</sup> June at 2.15. Bring a couple of dollars and play a couple of cards. Good prizes!**

### The extra table in lounge

A big thank you to the Trust for facilitating the extra table & chairs in the lounge. This table & chairs was requested by various groups to save them carrying tables from the store room.

Thank you David for arranging the legs to be added to the top.

A very big thank you to Lester who put numerous coats of polyurethane on the new timber.

The table has been positioned in a place to suit the various groups who requested the table – i.e. it is near the piano in the lounge – this positioning allows free access into the lounge and other areas including the kitchen, it does not cover exit doors and also means it is positioned in a convenient area for its original, requested purposes.

We will get some foam and a table cloth to place on it in the near future.

### THE WOMAN by Kirsten Hannah

Reviewed by Cathryn Gabites

'Women can be heroes, too'. When twenty-year-old nursing student, Frances "Frankie" McGrath, hears these unexpected words, it is a revelation. Raised on California's idyllic Coronado Island and sheltered by her conservative parents, she has always prided herself on doing the right thing, being a good girl. But in 1965 the world is changing, and she suddenly imagines a different path for her life. When her brother ships out to serve in Vietnam, she impulsively joins the Army Nurses Corps and follows his path. As green and inexperienced as the young men sent to Vietnam to fight, Frankie is overwhelmed by the chaos and destruction of war, as well as the unexpected trauma of coming home to a changed America. Frankie will also discover the true value of female friendship and the heartbreak that love can cause.

The Women is the story of one woman who goes to war, but it shines a light on the story of all women who put themselves in harm's way to help others. Women whose sacrifice and commitment to their country has been all too often forgotten. A novel of searing insight and lyrical beauty, The Women is a profoundly emotional, richly drawn story with a memorable heroine whose extraordinary idealism and courage under fire define an era.

### THE SEVEN by Chris Hammer

Australian landowners of the early 1900's realised there was going to be no wealth without water, so set about establishing an irrigation scheme. Fast forward to 1994 a son of one of the "Seven" is delving into the history of the scheme for his thesis and together with his girlfriend go missing. What did they uncover? Fast forward again to the present day and a body found in a canal sparks a murder enquiry. How is this connected to the past?

Very easy reading – another great Australian novel to get engrossed in.

### EVEREST MOUNTAIN GUIDE by Guy Cotter

Reviewed by Rob O'Brien

The Autobiography of a career mountaineer from early days climbing in the Southern Alps with his family, to guiding on Mount Everest. It is about triumph and tragedy in the mountains. The work that goes into getting to the top of Everest. He covers the climbing death of Rob Hall on Everest. The Sherpa's life and the big earthquake in Nepal in 2015. A surprisingly good read. I had trouble putting it down.

### THE LAST DAYS OF JOY by Anne Tiernan

Reviewed by Kaye Cuthbertson

Joy spent her life running from her past. She fled with her young family to New Zealand to start afresh. Drink had become her friend. Her family had grown up and left home and her past was destroying her. Her effort to end her life left her in hospital on life support. Her family returned to be with her and with each other, sharing their problems until they eventually turned off her life support.

This book is a mix of happy, sad, confusion and release. A good read even though a confronting subject.

# Our Village Library

## ??? Things you may not know ???

### Jigsaw Puzzle

There is normally a jigsaw puzzle on the go on the Library table, which you are invited to add pieces to whenever you have time. Why not come and spend an afternoon, sitting in this normally sunny spot & add some pieces to the puzzle?

### Book Reviews

Many of you will have seen and read the book reviews in the newsletter each month. What you may not realise is that we keep a copy of all of the reviews in a folder on a shelf in the Library. Maybe you arrive at the library sometime and you can't remember what the name of that book was, or you want some inspiration on what might be a good book to read. Please feel free to use this resource to help you in your book choices.

### Profiles, Memorials, Past Newsletters, Photos, etc

*(Thanks to Jenny Simmonds who has done the majority of work to keep these folders up to date, for which we are very grateful)*

**Profiles** - A regular part of our newsletters a few years ago was to include profiles of residents, in an effort to get to know people better & perhaps identify some joint interests etc. These have not been done for some time, but if you would like to read some of the prior ones please feel free to view these in the library. If this inspires you to do a profile about yourself for the newsletter, please talk one of us in the office.

**Memorials, Past Newsletters & Photo's** - These are all available for you to view and read about past residents & past happenings around the Village.

## Village Church Service—May Report

Fourteen residents were given a very different and relaxed service by Father Ian Hanley from St. Mary's Church, also welcomed was Russell Snell who kindly played the piano for us.

A prayer of thank you to all who are here and remembering those who are unable to be here opened the service. This was followed by the hymn, To God be the Glory.

Ian read a poem from The Anglican Prayer book, Lake of Beauty. We then sang the hymn, Just a Closer Walk with Thee.

Ian's address took the form of his faith and life. He lived in a lot of Countries with his parents as his father worked with the United Nations. He was brought up as a Catholic. After a few jobs he joined the Police force near London and related a few amusing stories. He decided to become an Anglican on meeting his wife; and when a Catholic Priest was unable to bury a returned service man, as he was not a Catholic. His family were not pleased with him changing and on his wedding day the Catholics sat one side and Anglicans the other. This change made his decision to become a Minister which led to joining the Navy as Chaplain. He read one of the Bible passages that meant a lot to him from Matthew chapter 28 verses 18-20. You cannot argue people into the Kingdom of God, just love them. God is Gracious.

Prayers for Peace and for people around the World and thanking God for being with us.

The closing hymn The King of Love my Shepherd is. Followed by the blessing.

The singing was exceptional.

**Kay Beange**

### Next Service on Thursday 6th June at 11am

## Bloke's Morning Tea—May Report

A record turnout of 30 Blokes enjoyed an interesting discussion by Tom Johnston the Timaru Port Tug Pilot Launch Master & Marine Supervisor, who shared many stories of his nautical experiences, including his role at the PrimePort.

Tom presented a Video of the last voyage of the fire-gutted Korean Trawler "Dong Won", that was towed from the Port and scuttled using explosives to its watery grave 25 nautical miles south-east of the Otago coast. The rusting hulk of the fishing vessel had been berthed at Prime Port for 3 years, after the fire gutted the ship during the unloading of its catch in 2018. 3 years of negotiations took place to ensure the Marine Environment is protected.

As photos of his experiences at Milford Sound couldn't be shown Tom answered a host of questions on his many duties at the Port.

Thanks to Chairman Max, Tea Duties Fraser, Derek, Marlene & Colin.

# ANZAC Service Mountain View Village

## 25th April 2024

Approximately 60 residents and friends attended the service.

Before starting Kay Beange apologised for any mistakes she made, as Ann Munro who organised the service has been taken ill. Thank you Ann for all your hard work organising this.

A warm welcome was extended to all, mentioned that the Village NZ flag has now been lowered to half-mast and would remain until mid-day. Followed by an opening prayer recalling all who had lost their lives on land, sea and air including children.

Caroline Breen from The Trust then Read from John 15 versus 9-12. About Gods love for us never dies.

Resident Tom Henderson said the prayers followed by everyone saying The Lord's Prayer.

The ANZAC Hymn Honour the Dead accompanied by the Dunedin Choir was sung (A beautiful hymn with words by Shirley Murrey, music by Colin Gibson).

Kay Beange read the well-known Poem Flanders Fields where the Poppies blow.

Followed by a poem The Rose of No Man's Land (written as a tribute to Red Cross Nurses on the front lines of World War 1).

Resident Beverly Beck laid the Wreath (Bev lost her Father in World War 2) As the Lament was played (Flowers of the Forest) everyone came and placed their poppies around the wreath. The wreath Blessing.

Then a request for all to stand and remain standing that were able for the Ode of Remembrance with the reply We shall remember them And Lest we forget.

The Last Post was played followed by a minutes silence and then the Rouse

The National Anthems of Australia and New Zealand were sung. Kay thought we were also to sing God Save The King, as there was no music, we sang without.

Closing Prayer and Benediction. Ann Munro had calculated that this was our tenth Village remembrance of ANZAC. Ten years ago Ann had morning tea with a minutes silence and Wynn Raymond talking on Gallipoli. Kay Beange added hymns and a bugler to a service the following three years. Marlene Shewan added a more meaningful structure to services during the last six years.

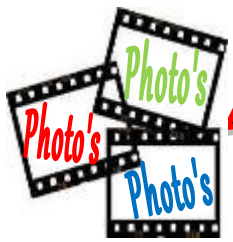

**Kay a big thank you to all who had helped with thanks to Ann and George. Mentioned a Piper will be playing outside the centre at 11.30am.**

Then followed a welcome morning tea with homemade ANZAC biscuits

# Thank You!

My sincere thanks to everyone who helped make ANZAC DAY a memorable one for all who attended;

To those who set up the hall before hand and those who served the morning tea. And put everything away afterwards. A great team effort by you everyone involved.

Huge thanks, to Kay Beange for kindly stepping up at the last minute, to lead the service.

Thank you to George, for putting the recorded music together, and playing it at the appropriate times during the service.

To Donna and Ruth, thank you for the time you both spent printing the service sheets, photocopying and laminating pages. This was very much appreciated.

We are very blessed in our Village with the support we give each other, when needed. With very grateful thanks, Ann Munro.

**There is a thank you card for Marlene Shewan at the office. Would people who have attended services taken by Marlene the previous six years, please kindly sign the card.**

## Thank you!

### Dearest Residents

My humble thanks to you all for the beautiful gift of a scarf after resigning the ANZAC Service. The scarf design are large stunning red poppies on a black background. I fell in love with it the moment I opened the lovely re paper tied with a red ribbon. With it came a very pretty card of thanks signed by many Residents who had attended my Services. I am going to leave the card at the Office meantime for anyone to sign who hasn't already done so. It would mean so much to me to read your name and remember you.

Many residents assisted me during each Service so I take this opportunity to pass on my grateful thanks to you all. And to Residents (and visitors) thank you for your attendance. I could not have done it with out you all.

### Did you know?

Feeding birds' bread, cake etc, kills them. They fill up on these foods which are junk food to them, and then they are too full to eat the nutritional foods they naturally forage for. Many birds, including our native are dying because humans are feeding them, junk food.

Also the food scrapes entice vermin; mice and rats to the area.

To save the birds, please, put your waste scrapes into your green bin.

## The Grass is Greener..... .....in the Village

Early one morning 20 big black beasts decided to visit the village. They decided a game of petanque would be in order but didn't stay long. They were rounded up in the dark by our own Matt and a man on a motor bike. They were quietly walked back into their paddock, left a few calling cards along the way & sampled a few shrubs, but no real damage.
