## NOTES FROM THE TRUST

It is a gloriously sunny day to enjoy while I write the Notes from the Trustees however the wet weather of late along with some heavy frosts have really reminded me how much I appreciate having a warm home that gets lots of sun and I am sure you will be thinking the same.

### MVV On-Licence Process

The Trustees are pleased to report that the Resource Consent process for Mountain View Village to have an on-Licence for the Community Centre is with the Timaru District Council. As per the process, we look forward to receiving notice that the application meets all the requirements and the next phase of the process can be completed.

We are delighted that Val Fahey and Tony Kerr have completed their process to get a Managers Licence and are now proceeding to apply for the Managers Certificate. Thank you Val and Tony.

### Villa Alterations

The MVV Maintenance team along with the Trustees wish to remind all residents, that if you are planning to do an alteration to the interior of your villa or unit, you must seek approval from the Trustees before you start any work. All work must be done by a qualified trades person. All work is recorded on your property file for future reference.

### Hair Salon

The Trustees were delighted to agree to a request from Luke Harper to resume his barbering service at the Village. Luke is a competent barber and takes care to leave the salon clean and ready for when Heather and Raewyn work with their clients.

To all MVV residents new and established, we encourage you to enjoy the many and varied activities that are available at the Village. You have so many choices both active of body and active of mind!!!

**NEXT MEETING Friday 8th August 2025 @ 9.30am**

Greetings.

We are now past the shortest day and hopefully Spring is just around the corner.

Activities continue, and it was nice to see residents and their families enjoying a game of golf croquet recently.

We had a good turnout at **Table Tennis** on 24 June and we are putting it back on the calendar for a weekly session on a **Tuesday afternoon**. Great to be able to use the tables, and also have a good workout. Thanks to those who put the tables away after Friday night, which made searching for wayward balls that much easier.

A flyer has gone out advising that we are starting a **6 week ballroom dancing sessions**, commencing **Thursday 3 July at 4pm**. Bill Joyce and Sandra Morgan are experienced instructors and this should be a fun activity, so come along. You don't need to bring a partner, just yourself.

A resident recently recommended **Carolyn Sengelow** from next door at Elloughton, as an interesting speaker. She has kindly agreed to come and talk to us on **Friday 11 July at 10.30am**. She is speaking on "living with vision loss". You may have seen her at the local shops. She seems to be living a very full life. All welcome.

## **NEXT MEETING Tuesday 1st July 2025 @ 4pm**

Hope you are all keeping well and warm. These grey days aren't much fun.

After a few concerns about the new caterers for the mid winter dinner, it turned out fine. Three nice ladies arrived and dished up a great meal. It was all good! Even the salads! Thank you so much to those who showed up the day before to set up and washed the table cloths. Using our own table clothes, thank you Cathryn, saved us \$15 a cloth that would have put another \$3 on the price of every meal.

We have had to say goodbye to some long term residents lately. Mavis Roston has moved into the Margaret Wilson Home and lives close by her MVV neighbour Anne Kynaston. Des Burtenshaw has moved next door to Elloughton Gardens. Monica Terpstra has moved in with extended family out at Normandy. She choose to have a farewell morning tea, which was enjoyed in the Community Centre, with family and friends. Thank you Karen and Angela for baking for this occasion. Our past residents always enjoy having visitors if you have the time.

## **UPCOMING EVENTS**

### **JULY**

- 4<sup>th</sup> – Helen McHaffie on Piano
- 11<sup>th</sup> – Elaine Caird on Piano
- 12<sup>th</sup> – Soup & Roll Luncheon
- 18<sup>th</sup> – Fish & Chips at Happy Hour

We are very grateful to our Pianists who come out in the cold to play for us at Happy Hour. This month they will be joined by Pat Kinney on drums.

The Soup and Roll Luncheon is on a movie day. There will be a choice of three soups, vegetable, tomato or pumpkin. They will be served with a bread roll and followed with a cuppa and a cake. This will finish in time for the Saturday Movie if you wish to stay. As usual there will be a note in your letterbox detailing time, cost etc.

Our once a year Fish & Chip Night will be on the 18<sup>th</sup>. We are having a beach theme. So look out for the sand and seagulls. Feel free to wear your bikini or budgie smugglers. Sadly the entertainment committee members have refused too! Once again there will be a note in your letterbox.

Our wonderful Mountain View Village Choir are singing for us on Sunday the 20<sup>th</sup>. This is always a good Concert. It will be followed by afternoon tea.

### **AUGUST**

In August, Tim Kirke is coming to play for us on the afternoon of Sunday the 10<sup>th</sup>. We are having a Quiz Night later in the month and are asking you to bring a plate for a shared supper if you are able.

July and August are cold and damp months when it is easy to become isolated at home. The Entertainment Committee is working extra hard to tempt you to come out, meet friends, and smile!!!

It has been noted that some of the new books being purchased are becoming damaged at the corners of books. Because the new books aren't as good as they were, Trish has been discussing the problem with Timaru Library. They have made some suggestions to Trish which we will endeavour to carry out. So please be careful with the edges of those new books.

Three of us went through the Non Fiction group of books and removed those that were out of date and the print too hard to read.

### AN ALMOST PERFECT SUMMER by Jill Mansell

Reviewed by Beverly Ward

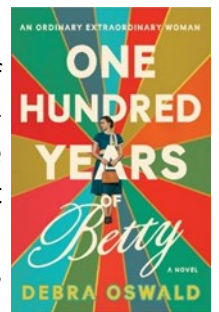

Set in the Yorkshire Dales and New York. An enjoyable light read.  
After losing her job Nella takes on the roll of managing a Cotswolds holiday retreat. Problem is the man she falls in love with will be her boss.  
A funny witty romcom.

### ONE HUNDRED YEARS OF BETTY by Debra Oswald

Reviewed by Kaye Cuthbertson

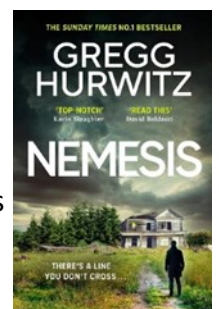

A fictitious autobiography of Betty, Beth, Elizabeth, Lizzie, Liz, taking us through fazes of her long life starting in wartime England when she was 7 years old, her teen years in England to emigrating to Australia and her life and loves there. A book with a difference, done well enough to make you think it's a real-life story. A few swear words and a bit of sex but nothing outrageous and all part of Betty's life.  
Oh, to have lived a life similar to Betty. I wouldn't say it was one of my favourite books, but I did enjoy it and found it easy to read.

### **STRANGERS IN TIME by David Baldacci**

Reviewed by Tony Kerr

David Baldacci is one of my Top 10 authors, however, this story is not one of his usual genre. An intriguing insight into life in London during the 1940's BLITZ as seen through 2 teenagers from different sides of the tracks. Charlie is from East End, Molly is from upmarket Chelsea who has spent the last few years living in the country. They team up with the mysterious bookshop proprietor, Ignatius Oliver.

I was hooked from the first Chapter and struggled to live "outside" the book. 10 out of 10 Mr Baldacci. You may need tissues handy.

### **OUR UNTOLD STORIES by Tom Clare**

Reviewed by Rob O'Brien

This is another New Zealand quite different to the one we know. Most of the tales come from very early times. We had yet to shake off our European links and attitudes of New Zealanders over the years. Some of the tales I had heard of but this show's them in a different light.

I enjoy history this is what we were, so a good read.

## Village Church Service—June Report

June 2025 Church Service was taken by the Rev Brent Richardson, from the Timaru Presbyterian Parish.

His biblical readings were taken from parts of Ps 104 and Acts Ch: 2. Pentecost Sunday was the coming Sunday; Brent's message was about Prophecies, Dreams and Visions through prayer. Prophecies are message from God, bringing together the messenger and receiver. In 1883, the Boys' Brigade founder was Sunday School teacher frustrated at the boys not concentrating and learning. Inspired by God, he used his military experience to teach the boys marching. Through discipline came learning, and the beginning of The Boys' Brigade which is still thriving today. In 1947, Bob Pierce leaving Korea gave an orphaned girl \$5 note. Back home he prayed, asking how he could help orphaned children in Korea. Thus, World Vision was born, now an international organisation.

Prayer - Holy Spirit move us towards peace, towards hope, towards each other. Pray these things for Israel, Palestine, Ukraine and other war-torn places in this world. Take our hands and led us towards community, towards our neighbours here in the Mountain View Village and towards you. Take our hands and open them to share, to welcome, to comfort here in Timaru. Take our hands and cup them so we may hold light and hope. Hold the gift of life in each other and in our community. Take our hands and spread them wide so we may comfort each other, hold each other in need and give ourselves to each other. Take our hands and join them in a circle, in a community around the world. Holy Spirit set us free to renew the world and each other. Amen.

Elaine Caird kindly played the piano to accompany the singing, of the following hymns. To God be the Glory; Holy, Holy, Holy and Spirit of God, Unseen as the Wind.

Next Service on Thursday 3rd July at 11am

Rev Sue Dickson from the Anglican Church

### Bloke's Morning Tea - June Report

Another good turnout, thanks to all who helped. We had a very good get together before and we had a very interesting film on an Alaska highway up to and inside the Arctic Circle.

The film was very well narrated, so all in all a very enjoyable morning.

Next month will be on the Milford road a speaker and film. Should be a good day.

All village men very welcome.

## Greetings from RRs - July 2025

As most of you know by now it has been an interesting and challenging two months or so, for us both - with rumours spread, incorrect assumptions and allegations made. We believe discussing actual facts is far more productive and positive.

The RR role is to take to Trust Meeting, any queries or suggestions that arise from the various committees and the Convenors Meeting or from Individuals within the Village, and also keep the Trust in touch with what is occurring within the MVV.

Plus we are to assist the Trust as requested.

We are not responsible for Policies and changes introduced by the Trust – e.g. the Dell changes, introduction of Vehicle Policy, Health & Safety (H & S) requirements being updated with resulting actions around the village. However, we do help as requested by the Trust. It has actually been a busy time for us, especially actioning work regarding H & S.

An update for some who asked queries:

The Stop sign is on the Concrete Pillar as that is the safest place for it to be installed. There was almost an accident on Pages Road when the driver leaving the Village did not stop despite the 'STOP' written on the road and the Yellow line – hence the actual sign which is required and is positioned for safety.

Fire blankets in Kitchen – you may have noted there are fire blankets hanging in the Community Centre kitchen. To know how to use them, please read what is displayed on the holder of the blankets. The fire blankets are a H & S requirement.

The Visitors Book is a Health & Safety requirement, as if evacuation of the Community Centre is required it is the Trusts and Employees Duty of Care to ensure everyone is out of the building. Without a visitors book it is unknown who the visitors are. We believe you would rather have visitors safe, than perish in a fire or major building incident. You will notice Visitor Books in many businesses you visit. It is suggested that Residents refrain from perusing it.

'A Resident said'. This statement does not mean the RR said – it means it came from someone within the Village - not the RRs.

Lithium Batteries. If you have Lithium batteries. Please ensure you follow the guidelines for charging them and do not overcharge them, as this increases the risk of fire. You may wish to ensure your Insurance Policy covers the use of these batteries.

Remember spreading actual facts, is far more productive and village appropriate, than rumours which become gossip.

Pam and Angela wrote this report before Pam went on Holiday.

Regards

Angela & Pam

## 5<sup>th</sup> July The Penguin Lessons

Inspired by the true story of a disillusioned Englishman who went to work in a school in Argentina in 1976. Expecting an easy ride, Tom discovers a divided nation and a class of unteachable students. However, after he rescues a penguin from an oil-slicked beach, his life is turned upside-down.

## 12<sup>th</sup> July Where The Tracks End

A heartwarming story of an inspirational teacher and the lives of her schoolchildren. The kids in the film live in an impoverished rural village, and their parents have little to give them. At least one parent is illiterate, but the local schoolteacher shows compassion and advocates for the kids, inside and outside the classroom.

## 19<sup>th</sup> July Tinā

Tinā follows Mareta Percival, a choir teacher grieving her daughter's death in the 2011 Christchurch earthquake, who begins working at an elite, predominantly white private school. Despite racist opposition from the school's leaders, she starts a school choir, changing the lives of her students as they work towards a real-life high school competition in New Zealand called The Big Sing. It's a big-hearted tear-jerker about the power of art – and it's already breaking records in its home country, where it's received the widest-ever release for a local film and become the sixth-highest grossing New Zealand film of all time.

# *Obituary Jackie Hurst*

*2 Grange Close*

*It was with much sadness that, after a recent short illness, we farewelled our friend & neighbour Jackie Hurst.*

*Jackie, who lived in Mountain View Village for nearly 4 years, joined in with exercise classes, church services, walking group & vegetable allotment.*

*Jackie would offer help when needed by reading to someone whose eyesight was failing.*

*Also, after someone's operation she stayed with them as their family were not able to do so.*

*Jackie's Christian beliefs were very important to her, so much so that she was recently baptised.*

*Jackie's children, grandchildren and wider family made her immensely proud.*

*Jackie was a kind, caring and gentle person who will be very much missed.*

## Residents Interests/Involvements at Mountain View Village

A few years ago, the Welfare Committee gave residents a form to fill in if they wished, about their interests/ involvement in the Village.

This information, which is kept locked away by Raylene until needed, is very useful when a resident leaves the village; to enable us to acknowledge their village participation, etc. Often newer residents arranging a farewell are not aware of the past interests/involvement of a resident who has been living here for a number of years.

In July a new "Residents Interest/Involvement" form will be given to all residents.

Those of you who wish to fill in a form please return the completed form to Raylene.

Sincere thanks, Ann Munro.

## **CONVENORS REPORT**

Thank you to all who have given us your Plastic Garden Pots and trays for recycling. This has been very successful, and it could be run annually – perhaps just a bit earlier in the year thou. Two lots of containers have already gone for recycling.

The convenors are in the process of updating an Outline of the Convenors committee purpose – so there is something in writing as a guideline for us and moving forward.

We wish to thank members of all committees and other volunteers for their hard work and effort. Your assistance is greatly appreciated.

Friday night social hour is successful with it now being a BYO alcohol drinks, as we have from 30 – 40 attending on average.

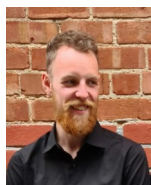

Thank you to the Trust for the upgrading at the bowling green – it looks great since the green was treated and with the seats and handrails.

**Thank you to you all.
