Notes from the Trustees

Welcome to the season of nor'westers, hot and cold days and even the odd snow showers nearby!!!

MVV On-Licence Process

The On-License process is in its final phase for sign off but unfortunately not in time for the Melbourne Cup event on Tuesday 4th November. The Trustees are sure you will still be able to enjoy this enjoyable event and the fun that goes with it. Tony and Val will be advised when they are to have their final bar managers test then all going well, the On-Licence will be approved.

Community Centre Upgrade

The Trustees are in the early stages of looking at the various options given for upgrading the Community Centre, taking into account the suggestions that some of you have made. We look forward to having draft plans available in the new year. The Trustees are mindful of costs and will be looking to make the best improvements to maximise the current spaces better.

Residents Representatives

The Trustees welcomed the Residents Reps, Angela Kerr and Rob O'Brien to the October Trustee meeting. The Trustees look forward to their contribution to the Trust meetings.

Communications with the Trust

Just a reminder to residents that if you have concerns or queries, please put these in writing to the MVV Trust Secretary so these can be discussed by the Trustees at the next Trustees meeting, and a formal response can then be given to you.

Melbourne Cup afternoon is on **Tuesday 4th of November**. The tote opens at

3pm, \$1 a bet as many times as you like. It is run as a sweepstake, the horse you get is chosen randomly by the tote staff. All money bet will be returned as prizes. There is to be a competition for best decorated hat and another for fanciest tie.

Come dressed up or dressed down. It's all in good fun. Afternoon tea will be provided then we will watch the race about 5 pm. Winners will be paid out straight afterwards.

On the **7th of November Aspire** are putting on their display of aides at the **Baptist church hall**. See the notice board for information about them and to sign up if you'd like transportation.

Saturday 22nd of November is our Bring and Buy fundraiser for St John's. We have

been donated some really nice odds and ends so far but really need some more. If you have things to give I'll happily come and pick them up. Give me a ring on 022 177 5017. All goods left over at the end of the day will be donated to the St John's

Shop. We are also putting on a Devonshire tea on the day. We need donations of scones. Come on you bakers, please help out.

The **MVV Choir** is putting on their Annual **Christmas Carol Concert** at **2pm on Sunday 30th November**. This will be followed by afternoon tea.

Sunday 7th December is our Christmas Dinner. This is being put on by the Entertainment Committee. It

is a big commitment but planning is going well. We are asking if anybody will cook a pavlova or two for us. We know there are great cooks out there. Please help us keep costs down! The **Closing Day** for booking your seat for the dinner is **20th of November**. This is much earlier than usual but we must have final

numbers by then so our suppliers can guarantee our orders. We can not accept late comers!! The cost of the dinner will be a very reasonable \$30 per person. It will be BYO! A donation of a grocery item for the food banks would be appreciated on the day!!

We are asking for a bit of **Help** this month. If you can help by **baking scones** or **pavlovas**, **hanging decorations** or donating to our bring and buy, we would be very grateful! Any questions just give me a ring! Thank you.

We had a nice trip to **Barkers, Terrace Downs** and to see the **Rhododendrons**. Perfect weather in Geraldine, but windy at Terrace Downs. Windwhistle being the nearest town should have been a clue. The Rakaia lookout stop also had an ode to the Nor'West on a display board.

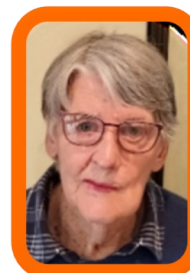

The **Melbourne Cup** is coming up, all are welcome to join us for a **Craft Afternoon** on **Sunday 2 November** to decorate a hat. Bring a hat from home (or get one from a \$2 shop) and some ribbons and other craft bits-and-bobs to decorate it. Share some ideas and some supplies. Kaye will have her glue gun. Please bring a gold coin to contribute to the cost of glue refills.

If I hadn't been reviewing this book I would have probably put it down, whether it was my mood or the book I'm not sure but so glad I didn't!

Nora Bridges walked out on her family and became an agony Aunt, famous on the radio and in newspaper columns. Her daughter Ruby hated her and blamed her life on her mother until she had to spend time with her. They say time and truth heal all wounds and its true for Ruby and her mother.

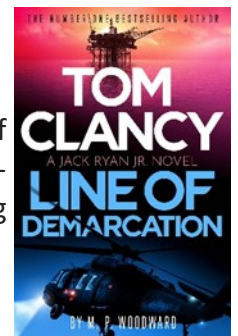

This turned out to be a great read with even a few tears! So glad I didn't put it down.

NIGHTSHADE by Michael Connelly

Reviewed by Cathryn Gabites

In "Nightshade," Stillwell is introduced as a new series character by Michael Connelly. Detective Sergeant Stillwell of the Los Angeles County Sheriff's Department has been banished from the homicide division. His sin: accusing his former partner of dropping a murder case for lack of evidence when, according to Stillwell, there was plenty of it. Branding him a troublemaker, his superiors packed him off to Catalina Island and put him in charge of a small, backwater office where cases normally range from petty theft to drunk and disorderly. This was supposed to be punishment, but Stillwell likes it. The island is beautiful. Recently divorced, he's already found a new love there. And he's relieved that he's free of department politics — or so he thinks.

Bloke's Morning Tea - October Report

The 17 Blokes who attended the Oct Meeting were entertained with an interesting Video that showed Sea Trials of old technologies like Large Spinnakers and "Flettner" rotors, large, 100 ft tall spinning cylinders that generate forward thrust from the wind, reducing the load on the main engines to assist propulsion being retrofitted onto existing container and oil tankers to improve efficiency and cut fuel costs. Fuel bills can be cut by up to 20% and lower greenhouse gas emissions. This technology, originally developed in the 1920s, is being updated with modern materials like carbon fibre and is being tested on ferries and tankers. While a major technical challenge, ports like Hamburg are now offering shore power to container ships and cruise liners.

With Organizer Rob and the Speaker being unavailable Colin & Ray stepped up and were ably assisted by Fraser, Tony and ??? in the kitchen. As always our "Thanks to Marlene"

ALL VILLAGE MEN WELCOME!

Village Church Service—October Report

Leonie Linton from St Mary's Anglican Church gave a very interesting message, about the Anglican Church service, Blessing the Animals. This annual service is on the Sunday nearest St Francis of Assisi Day, October 4th. Today, other denominations follow the Anglican / Catholic tradition, Blessing the Animals.

Who was Francis of Assisi? He was the handsome, witty son of a wealthy Italian trader who enjoyed the high life and spending money lavishly on himself and not others. During his interesting life he joined the military; and another happening was spending over a year in prison. During his time there he began to re-evaluate his life and displayed disillusionment toward the material world.

It was Francis mission in life to implore people to act in a way God expected of them. He set out to replicate Christ and literally carry out Christ's work. What more could be asked of a Christian, and what could we learn from him. Besides caring for the poor Francis became a steward for the Earth God had created 800 years ago

Francis knew that stewardship of creation meant the caretaking of the environment and animals, as well as our families and communities. Our created environment and all it contains is still evolving, it must be loved and protected by us all. God encourages us all to be stewards following the example set by St Francis of Assisi.

Leonie's husband Murray read the 3 bible readings- Genesis 1: 25, Proverbs 12: 10, & Corinthians 4:2. The suitable hymns chosen by Leonie and accompanied by Elaine Caird on the piano were, Be Thou my Vision, All Things Bright Beautiful and a hymn written in 1974 with ancient words taken from Genesis, Samuel, Nehemiah, Isaiah and Colossians - Here I Am Lord.

Ann.

Rongomaraeroa Peace Walk

On Tuesday 30 September residents enjoyed a 'day out', visiting the Rongomaraeroa Peace walk at Maungati. Fi Elworthy spoke to us about the 'walk' and her involvement. The sun was shining and a gentle breeze blowing as we strolled among the native shrubs, which were looking great, with plenty of growth. The blossom trees were just past their best, some still had blossom on them, other trees had buds ready to flower, especially the crab apple. Fi's friend Ramonda sang to us, a beautiful voice which sounded lovely in the 'open air'.

We sat outside and had our lunch, it was peaceful and relaxing. We also viewed the bronze statue of the land girl and her dog.

Fiona invited us up to Craigmore, the family homestead, we wandered around the gardens.

Thank you to Tony for driving the van. A lovely day enjoyed by all.

Terrace Downs Trip

On Friday 17th October 19 residents had a day out, starting off at 9am we headed to Barkers Cafe in Geraldine for morning tea plus a few of us sampled some of the lovely products Barkers have for sale and a few purchases were made. We then headed off to Terrace Downs driving through farmland and the mountains in the distance it was a lovely drive.

When we got to Terrace Downs we were welcomed by a staff member and shown into the dining room, a lovely big room and large dining table which we were all able to sit at, we could see across the golf course and observe the golfers, it was a very windy day there which made conditions for playing golf a bit difficult.

Jill had phoned through our lunch orders so we didn't have to wait too long and an assortment of meals came out which everyone enjoyed.

With tummy's very full we were back on the road heading for Geraldine again where some of us walked along the tracks at the back of Barkers Cafe to view the rhododendrons, azaleas and other plants. A few ice creams were eaten which finished off the day nicely.

A big THANKS to Jill for all her hard work in organising such a great outing and thank you to the drivers 🙌🙌
